

TRAFFIX New Year's Special!

Ride the TRAFFIX bus for \$125 in 2018!

Don't Let the Winter Weather Get You Down!

The Measure J Traffic Congestion Relief Agency, also known as TRAFFIX, was formed in 2009 to relieve traffic congestion during school drop-offs and pick-ups.

Today, Elementary School students are invited to ride the bus for just \$125.00 from January 8 to June 1, 2018! That's just \$1.30 per day for each school day!!

"My girls are in 2nd and 4th at Walt Disney Elementary School. They take the TRAFFIX Bus each day and love their bus driver!"

TRAFFIX gives kids ranging from elementary, middle and high school, the opportunity to be independent and make new friends on the bus. And it's a great time saver for me!"
